Weather Updates

SCHOOL CLOSING/LATE START POLICY

Closing: If either the Princeton or Milaca districts are closed, Faith Christian School will be closed.

If the administrator deems it necessary, FCS will be closed.

Late Start: If **both** Princeton and Milaca have a later start, FCS will start at the time of the earliest late start. Students living in the district with the latest start time may arrive when their district is planning to start. Students in the later starting district will not be considered tardy. If the administrator deems it necessary, FCS will be closed.

Please stay tuned to channels 4, 5, 9, or 11 television stations on inclement weather days in order to be aware of closings or late starts.

Early Release : Because we do not have our own transportation, FCS does not have early release days unless they are called by the public school district. Should this occur, we will not be able to notify parents by phone. Please stay tuned to your television or radio on inclement weather days for possible early closing in your district.

On days that Milaca or Princeton does not have school and FCS does, early closings will be announced on the television stations listed above.

If school is cancelled for the day or released early, all events (practices, games, etc.) scheduled for that evening are automatically cancelled regardless of any weather changes throughout the day.

We will do our best to communicate with families via email also.
We will also put updates on the school's website, www.fcssaints.com.
Thank you kindly!

Savers Cards Update

The **2019** Savers Cards are for sale and now can be used at local businesses. Our goal is to sell **1,000** cards this year. We have sold approximately **795** cards so far! Keep going!

We are counting on all families to participate in this schoolwide fundraiser. If you are a super-seller and can plan to sell a bunch, contact Heidi for more cards. **(If you are not able to sell your cards, please return them to the office.)**

We have three new businesses on the card this year: Timber Valley Grille in Milaca, Papa Murphy's Pizza in Princeton, and Danny B's restaurant in Foley.

There will be a prize for the top seller this year!
The prize choices are: A Nintendo Switch gaming console
OR
2018 Apple iPad with WiFi, 9.7inch, 32GB sixth generation.

Sellers must sell a minimum of 50 cards to be entered in the contest. The contest will end March 15th, 2019.

Please turn in any savers money when you have sold your cards.
