

Faith Footnotes

March 9th, 2020

One-Day Robotics Camp

Students had a great time today practicing assembling robots today! We have some budding engineers and teams worked very creatively together. For students 2nd grade and up, make sure to turn in your registration to participate in Thursday's free afterschool Robotics camp.

Spring Musical Reminder

To allow for the greatest number of students to participate, the evening performance has been moved to Thursday night, April 16th at 7pm. Friends and family day will still be on Friday.

Music classes have been working hard in preparation, but we have limited rehearsal time. Reminder, students are to be practicing and listening to the CD at home.

Savers Card Reminder

One final push to sell Savers Cards before our final deadline! The family who sells the most overall will be awarded with the grand prize: a Samsung tablet. Not only will we give a prize to the family who sold the most overall, we will also give a prize to the family who has sold the most for Feb-March combined. We have extended the February deadline because our sales have been down. Keep selling those Savers cards!

Spring Flower Fundraiser

Spring flower order forms will be going home at the end of this week! Orders are due March 31st.

Spring Fellowship Meeting

Our Spring Fellowship Meeting is coming up on Monday, March 16th. Starting on Wednesday, families can pick up a copy of this coming year's proposed budget from the office, or by emailing office@fcssaints.com.
