## Golf Tournament was a success – Praise God!

The weather was beautiful on the golf course this year. We were blessed by many generous hole sponsors and golfers. We are able to say we surpassed this year's financial goal! A special thank you to Jeff Brown for coordinating the event this year and to all of the volunteers who helped make this event so successful.

## Parking Lot Safety and Carpool Changes

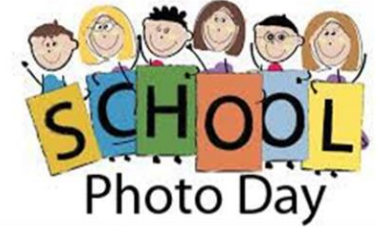

When entering the parking lot, please remember to use the entrance to the South only. It is important to have traffic flowing all the same direction to keep the parking lot safer.

Thank you for adjusting your schedules to accommodate the new bussing times. Carpool pick up time is 2:45 – 3pm to accommodate the bussing situation. If you arrive prior to 2:45, please stay in your vehicles until the Milaca bus has left.

## Important Reminders and Upcoming Dates

Students in 5<sup>th</sup>-12<sup>th</sup> grade will also be tested for scoliosis that day. Please have students wear a t-shirt so the nurse can easily check their spine.
