Games will be 30 minutes, although as the day goes on and the coaches prefer, we can cut that down depending on temps and how tired the kids are. We are playing 11 v 11. Please check this schedule over, I think I have everyone playing three different teams. Please bring your own warm-up balls, game balls will be provided. Make sure your teams have matching uniform tops or shirts (numbers not required). We will be selling concessions, since we are not asking teams to pay a registration and there will be no admission fees, please encourage your players and families to take advantage of the concessions. If you have not been to the Ampe Fields in Paynesville, they are on the east end of Paynesville right off Business 23 across from the Paynesville Museum and Koronis Tire. If I think of anything else I will let you know. One last thing, last year at the last minute we lost a couple of refs and had to scramble to find some. **If any of you have parents that can ref and would act as back-ups, just in cast, please let me know.**
